I Move Around

Nancy Sinatra

Ive seen the Golden Gate at San Francisco Bay
Ive seen the Empire State and walked down old Broadway
Ive seen those Northern Lights in some Alaskan town
Since I saw you with her I move, I move around.Ive seen a movie star at Hollywood and Vine
Ive seen the Zanzibar and heard the Big Ben chime
Ive seen the Eiffel and Ive been in new Cape Town
Since I saw you with her I move, yeah, I move around.(Bridge)Ive seen a matador in Barcelona cry
Ive seen old Singapore, the bridge on River Kwai
Ive seen the Mardi Gras and been in one-horse towns
Since I saw you with her I move, Baby I move aroundI keep movin around
I keep on movin around
