

Jump

Rihanna

Jump, Jump, Jump, Jump, Jump, Jump...
Tell me that you love me when you know you don't love me
But I guess I guess I guess is all good
You can play the game, I'mma still do my thang
And no better with the written be quote
When you f-ck them other girls I bet they be wondering why you always call my name
You think i'm gonna wait around
I ain't got all day
You don't need another lover
Don't you let it go
I already got it covered, let the others know
If you want it let's do it
Ride it, my pony, my saddle
Is waitin', come and, jump on it
If you want it let's do it
Ride it, my pony, my saddle
Is waitin', come and, jump on it
Jump, jump, jump, jump, jump, jump
Think I give a damn boy don't you know who I am
I ain't run around chasing no dude
If somebody else like me gon' come around
Boy you got it misunderstood
Put it in your face but acting all scared
Like you can't recognize a good thing
Now that you got a chance
Tell me what is gon' be?
You don't need another lover
Don't you let it go

I already got it covered, let the others know
If you want it let's do it
Ride it, my pony, my saddle
Is waitin', come and, jump on it
If you want it let's do it
Ride it, my pony, my saddle
Is waitin', come and, jump on it
Jump, jump, jump, jump, jump, jump
You say it's my fault, OK I get it
You ain't picking your calls, i'm like forget it

See you put up your wall
You know you did it, the rise and the fall, just admit it
You say it's my fault, OK I get it
You ain't essing your calls, i'm like forget it
It's the the rise and the fall
It's the the rise and the fall
And you good at it all
If you want it let's do it
Ride it, my pony, my saddle
Is waitin', come and, jump on it
If you want it let's do it
Ride it, my pony, my saddle
Is waitin', come and, jump on it
Jump, jump, jump on it
Jump, jump, jump on it
Jump, jump, jump on it
Jump on it, jump on it
Jump, jump, jump on it
Jump, jump, jump on it
Jump, jump, jump on it
Jump on it, jump on it
