

# The Same Thing

## Treat Her Right

Why do all these men try to run a big legged woman down  
Why do all these men try to run a big legged woman down  
Must be the same thing that makes the bulldog run around  
What makes a man go crazy when a woman wear her  
dress so tight  
What makes a man go crazy when a woman wear her dress so tight  
Must be the same thing that makes the tomcat fight all night  
It's that same thing  
Tell me who's to blame  
The whole worlds fighting about that same thing  
What makes a man so happy when his woman wear her  
evening gown  
What makes a man so happy when his woman wear her evening gown  
Must be the same thing that makes the preacher lay his bible down  
It's that same thing  
It's that same thing  
Tell me who's to blame  
The whole worlds fighting about that same thing
