

# All Lies

## NoMeansNo

Lies are the words that I use  
when you look up hopefully  
All of the things that we feel  
are a trick, a fantasy  
What is the end?  
It is love I pretend  
It's calling, it's calling  
And I'm falling, I'm falling  
And she said, pray to me, pray to me  
All the love you see, it comes from me  
She said, pray to me, pray to me  
All the love you see, it belongs to me  
She said, I see, I see  
She said, pray to me, pray to me---but it was  
All lies, a pack of lies  
It was all lies, why don't you fuck off and die  
It was all lies, a pack of liesIt was all lies, all lies  
Lies are the light and the hope  
in your eyes as they shine on me  
Tie up my hands with your chains  
they are bound to set me free  
I'm singing, I'm singing  
And to that I'm clinging  
The words that I say only drag me away  
And I said, pray to me, pray to me  
All the love you see, it comes from me  
I said, pray to me, pray to me  
All the love you see, it belongs to me  
I said, I see, I seeI said, pray to me, pray to me---but it was  
All lies . . .  
Lies are the hopes and the chains that have dragged me here to you  
All of these hopes and these chains I will gladly share with you  
It's raining, it's pouring  
The old man is snoring  
It's raining, it's pouring  
And I'm falling, I'm falling  
And he said, pray to me, pray to me  
All the love you see, it comes from me  
He said, pray to me, pray to me

All the love you see, it belongs to me  
He said, I see, I see  
He said, pray to me, pray to me---but it was  
All lies . . .
