

Window Shaded (Acoustic)

One Time Mountain

Window Shaded

Verse 1

I'm sick of all the fighting

We've made

I've said

Way more than I should say

Apologies only go so far

I'm not blind

the answers

are written on the wallChorus 1

I Have Waited For A Window Shaded

When you're alone do you think about me Cuz

Now my dreams are in black and white

When you're alone do you think about me

Verse 2

I'm not sure where to go

and I don't even know

if we still walk on the same road

So are you with me?

It's not easy

find yourself

and then you'll be freePre-Chorus

And I don't care

What Happens

I'm Just hanging on

And I don't care

What happens

I'm just hanging on

Chorus

I Have Waited For A Window Shaded

When you're alone do you think about me Cuz

Now my dreams are in black and white

When you're alone do you think about meSoloPre-Chorus

And I don't care

What Happens

I'm Just hanging on

And I don't care

What happens

I'm just hanging onChorus
