

My Baby Left Me

Wanda Jackson

Yes, my baby left me, never said a word
Was it something I done something that he heard
My baby left me, yeah, he left me
My baby even left me, never said a word Lord, I'm standin' at my window wring my hands and cry
I hate to lose that man, hate to say goodbye
You know he left me, yeah, he left me
My baby even left me, never said a word Maybe one of these mornings, Lord, it won't be long
You'll look for me, honey, but your baby will be gone
You know you left, yeah, you left
My baby even left me, never said a word Lord, I'm standin' at my window wring my hands and moan
All I know is that all my love is gone
My baby left me, yeah, he left me
My baby even left me, never said a word Yeah, my baby left me, never said a word
