

# The Base of a Dream Is Empty

[Yuck](#)

Purified, your my situation,  
Electrified, no time for hesitation, The base of a dream is empty,  
The base of a dream is empty, Terrified, I have been through to few,  
Simplified, everything you need to do, The base of a dream is empty,  
The base of a dream is empty, Drowning slower,  
Drowning life,  
Drowning slower,  
Miserable, Drowning slower,  
Drowning life,  
Drowning slower,  
Miserable with and without you near,
