Sanctuary

Alice Cooper

Your world full of creeps
Zombies walk the street
Nine to five, barely alive
Have a beer, go to sleep
And start all over againSame gray suit, same round shoes
Same headache, same pills
He goes home, thinks about suicide
But he's got his diploma, got to give him thatI got a radical place
Got my own private space
It's my sanctuary
It's the castle of doom
I'm the king of my room
Just a QuasimodoLet the world blow away
This is where I will stay
In my sanctuary
Got my mess on the floor
Got my lock on my doorGo away, sanctuary
Go away, sanctuarySomeday I gotta get outta here
Gotta put on a shirt, put on a tie
Get a job, buy a car, get some insurance
'Cause I'll probably have a heart attack before I'm fortyI guess I'll find the perfect wife
And I'll have 2.3 perfect kids
And if I work real hard, if I die real fast
They'll all turn out just like meI got a radical place
Got my own private space
It's my sanctuary
It's the castle of doom
I'm the king of my room
Just a QuasimodoLet the world blow away
This is where I will stay
In my sanctuary
Got my mess on the floor
Got my lock on my doorGo away, sanctuary
Go away, sanctuary
Go away, sanctuary
Go away, sanctuaryI got a radical place
Got my own private space
It's my sanctuary
It's the castle of doom

I'm the king of my room
Just a QuasimodoLet the world blow away
This is where I will stay
In my sanctuary
Got my mess on the floor
Got my lock on my doorGo away, sanctuary
Go away, sanctuary
Go away, sanctuary
Go away, sanctuary
