Kingdom Come

Direct Hit!

Well there's a factory that buys my daily bread
But thought I'd go and fill the management so full of lead
They wouldn't go and take the moments that I had
And so I shot 'em in the headBefore I knew it there were sirens in the driveway
Blaring louder than the radio
And so I resolved to solve the situation with a pipe bomb
And blew them all to kingdom comeKeys in the door, keys in ignition
I don't know where I'm going, I don't know the mission
Keys in the door, keys in ignition
I don't know where I'm going, probably to prison
