We Are

Kids In the Way

We are, we are, we are, we are
The kids in the way
We are, we are, we are, we are
The kids in the way
You can't hold us down
You can't hold us downWe're on the edge of our youth
The days are getting long
It seems the times of our lives have all come and gone
But we know better
We've just begunWe are, we are, we are, we are
The kids in the way
We are, we are, we are, we are
The kids in the way
You can't hold us down
You can't hold us downThis world it tells us what to do
It tells us who to be
They think their answers to this
Life will satisfy our needs
We are so different and we are another breedWe are, we are, we are, we are
The kids in the way
We are, we are, we are, we are
The kids in the way
You can't hold us down, oh no
You can't hold us downThere's nothing you can do or say
To make us choose another way
There's nothing you can do or say
To make us go awayWe are, we are, we are, we are
The kids in the way
We are, we are, we are, we are
The kids in the way
You can't hold us down
You can't hold us down
You can't hold us downWe are, we are, we are, we are
The kids in the way
We are, we are, we are, we are
The kids in the way
We are, we are, we are, we are
The kids in the way
We are the kids in the way
