# Hold On To Your Love

## Taylor Hicks

If you need her, you'll show it
If she loves you, then you'll know it
If it happens, don't fight it
If you broke it, don't hide it

If she wants you, then love her
If she needs you, then you'll show her
If it happens, don't fight it
If it's true love, don't hide it

You know what they say,
"Mmm, well, love will settle the score,
All's fair in love and war."

Hold on to your love,
Hold on to your love.

If you want her, you'll know it
If it's real love, you'll show it
If it looks good, then try it
If it's too much, don't buy it

If you need her, you'll show it
If she loves you, then you'll know it
If it happens, don't fight it
If she wants it, mmm, you'll buy it

You know what they say,
"Well, love will settle the score,
All's fair in love and war."

Hold on to your love,
Hold on to your love.

If you need her, you show it
If she loves you, then you'll know it
If it happens, don't fight it
If it's true love, don't hide it

If she wants you, then love her

If she needs you, then you'll show her
If it happens, oh, don't fight it
If it's true love, don't hide it

You know what they say,
"Yeah, well, love will settle the score."
You know what they say,
You know what they say.

You know what they say,
"Yeah, well, love will settle the score,
All's fair in love and war."

Hold on to your love
Hold on to your love, people
Hold on to your love.
