

# Footloose And Fancy Free

## Camera Obscura

Buy me an advent calendar  
It seems the thought of days  
Without you make me sadder  
Dont visit me now  
You make me want to do myself in  
Ill see you some time  
But I wont see you soonI know somethings about you  
I wont spill the beans  
Theres a spool in my own camera  
Thats never been seen  
I could write it all down but it wont be enough  
I want you to be happy with someone to loveIt wont be me  
It wont be you  
Pretty soon well agree to be free  
Footloose and fancy free
