Bright Eyes

Allo Darlin'

When I watched you get undressed
That was my Achilles' heel
And then you took my cigarettes
Girl what else will you steal?Do yourself a favor, stop before you tear yourself apart
Recent events make this heart unwind
And I'm aware I am a southern witch
But I'm pretty exposed to your kiss
When I'll leave you I'll leave the dark behind
Do you believe in fun?
I surely do
Do you believe in love?
I do if you ask me to
I feel better hanging out with you
And I was dreaming, you're always dreaming
I found a reason, when you don't start teasing
BRIGHT EYES tears to looking back to youAnd when your son get turned out when you're morning late
And in the after-noon you drink while in the shadeSomehow I have found myself lost in this circumstance
But you go to great lengths to tell me this is not a romance
What's the hurry don't you see
The best parts and you're knowing we
Can take our time, you don't have to worry
Do you believe in fun?
I surely do
Do you believe in love?
I do if you ask me to
I feel better hanging out with you
And I was dreaming, you're always dreaming
I found a reason, when you don't start teasing
BRIGHT EYES tears to looking back to you
