## When You're Looking Like That

## Westlife

When you're looking like that Yeah yeahShe's a 5 foot 10 in catsuit and Bambi eyes

Everybody's who's staring

Wouldn't believe that this girl was mine

I should have known I was wrong

When I left her for a life in pity

But they say you never miss the water until it's gone, yeahGuess I failed to love you

And you're taking it out tonightHow am I supposed to leave you now

When you're looking like that?

I can't believe what I just gave away

Now I can't take it back

I don't wanna get lost

I don't wanna live my life without you

How am I supposed to leave you now

When you're looking like that? She's all dressed up for glamor and rock and roll

Wanna squeeze her real tight, get out of this place

If only I could take control

But she is out of my reach forever

And just a week ago she lied next to me

It's so ironic how I had to lose just to see That I failed to love you

And you're taking it out tonightHow am I supposed to leave you now

When you're looking like that?

I can't believe what I just gave away

Now I can't take it back

I don't wanna get lost

I don't wanna live my life without you

How am I supposed to leave you now

When you're looking like that? I don't wanna forget you

I don't even wanna try

How am I supposed to walk on by

When you're looking like that? How am I supposed to leave you?

I can't believe what I just gave away

'Cause I can't take it back, I'm lost

I don't wanna live my life without you

How am I supposed to leave you now

When you're looking like that? How am I supposed to leave you now

When you're looking like that?

I can't believe what I just gave away

Now I can't take it back

I don't wanna get lost
I don't wanna live my life without you
How am I supposed to leave you now
When you're looking like that?How am I supposed to leave you now
When you're looking like that?
I can't believe what I just gave away
Now I can't take it back
I don't wanna get lost
I don't wanna live my life without you
How am I supposed to leave you now
When you're looking like that?
