Indifference

Pearl Jam

I will light the match this mornin'
So I won't be alone
Watch as she lies silent
For soon night will be goneOh, I will stand arms outstretched
Pretend I'm free to roam
Oh, I will make my way
Through, one more day in hellHow much difference does it make?
How much difference does it make?I will hold the candle
'Til it burns up my arm
Oh, I'll keep takin' punches
Until their will grows tiredOh, I will stare the sun down
Until my eyes go blind
Hey, I won't change direction
And I won't change my mindHow much difference does it make?
Mmm, how much difference does it make?
How much difference?I'll swallow poison
Until I grow immune
I will scream my lungs out
Till it fills this roomHow much difference?
How much difference?
How much difference does it make?
How much difference does it make?
