Flake

Jack Johnson

I know she said it's alright

But you can make it up next time

I know she knows it's not right

There ain't no use in lyingMaybe she thinks I know something

Maybe, maybe she thinks it's fine

But maybe she knows something I don't

I'm so, I'm so tired, I'm so tired of tryingIt seems to me that maybe

It pretty much always means no

So don't tell me

You might just let it goAnd often times we're lazy

It seems to stand in my way

Cause no one, no, not no one

Likes to be let downI know she loves the sunrise

No longer sees it with her sleeping eyes

And I know that when she said she's gonna try

Well it might not work because of other ties and I know she usually has some other ties

And I wouldn't want to break 'em, nah

I wouldn't want to break 'em

Maybe she'll help me to untie this but

Until then well, I'm gonna have to lie tooIt seems to me that maybe

It pretty much always means no

So don't tell me

You might just let it goAnd often times we're lazy

It seems to stand in my way

Cause no one, no, not no one

Likes to be let downIt seems to me that maybe

It pretty much always means no

So don't tell me

You might just let it go The harder that you try baby, the further you'll fall

Even with all the money in the whole wide world

Please please, please don't pass me

Please please, please don't pass me

Please please, please don't pass me by Everything you know about me now baby, you gonna have to change

You gonna call it by a brand new name

Please please, please don't drag me

Please please, please don't drag me

Please please, please don't drag me downJust like a tree down by the water baby, I shall not move

Even after all those silly things you do

Please please, please don't drag me

Please please, please don't drag me Please please, please don't drag me down
