

Bedroom Thang

ZZ Top

I know you wanna be my bedroom thang
But you're much too young
You're the finest thing I've ever seen
You just wanna have fun I need someone who can scratch my back
I need someone who can carry my pack
I need someone to be with me at night
You're gonna make me feel alright Don't you bother me with petty lines
I know you ran away from home
This might come to you as some surprise
I wish you'd leave me alone I need someone who can scratch my back
I need someone who can carry my pack
I need someone to be with me at night
You're gonna make me feel alright I need someone who can
I need someone who can
I need someone to be with me at night
You're gonna make me feel alright
