

# Oh Santa!

## Mariah Carey

Santa's gonna come and make him mine this Christmas  
Santa's gonna come and make him mine, mine, oh Santa  
Santa's gonna come and make him mine this Christmas  
Santa's gonna come and make him mine, mine, oh Santa Santa, if you get this letter won't you help me out?  
I know you're kinda busy with your elves right now  
And I don't know how  
How do you do while I sleep on Christmas Eve But it's amazing  
And I bet that you could bring me back my baby  
Because every time I see Christmas lights  
I feel this burn inside and I just can't take it I saw them shopping last week  
And his new girl was so bleak  
And then I swore to myself  
Santa's gonna come and make him mine this Christmas night Ho-ho-ho  
Santa's gonna come and make you mine this Christmas  
Santa's gonna come and make you mine, ho-ho-ho  
Santa's gonna come and make you mine this Christmas Oh Santa, I heard that it's really gonna snow this year  
So I hope Rudolph and them other 8 reindeer  
Get you safely here  
So you can scoop him up and swoop him right down my chimney I've been really, really, really good this year  
So put on that red suit and make him appear  
This Christmas cheer just ain't the same without my baby  
Come on, oh Kris Kringle, send me help They say it's unrealistic  
But I believe in you, Saint Nick  
So grant this wish for me right quick  
Santa won't you come and make him mine this Christmas night Ho-ho-ho  
Santa's gonna come and make you mine this Christmas  
Santa's gonna come and make you mine, ho-ho-ho  
Santa's gonna come and make you mine this Christmas night Oh Santa, oh Santa  
Oh, oh, oh Santa  
C'mon Santa Santa's gonna come and make you mine this Christmas  
Santa's gonna come and make you mine, mine  
Santa's gonna come and make you mine, mine Oh Santa Claus, if you get this letter please don't make me wait  
'Cause all December I'll be counting down the days  
Hop on your sleigh  
I promise that I won't forget the milk and cookies The tree's all sparkly and gold  
But inside I feel so cold  
So soon as you leave the North Pole  
Santa won't you come and make him mine this Christmas? Santa's gonna come and make you mine ho-ho-ho  
Santa's gonna come and make you mine this Christmas

Santa's gonna come and make you mine ho-ho-ho  
Santa's gonna come and make you mine, mineSanta's gonna come and make you mine ho-ho-ho  
Santa's gonna come and make you mine this Christmas  
Santa's gonna come and make you mine ho-ho-ho  
Santa's gonna come and make you mine, mineSanta's gonna come and make you mine ho-ho-ho  
Santa's gonna come and make you mine this Christmas  
Santa's gonna come and make you mine ho-ho-ho  
Santa's gonna come and make you mine, mine
