

Thanks For Nothing

Dope

Give me a break from your taking your take
Come on and give me a break, what do you want from me?
Feeding the rich with that son of a bitch
Well that son of a bitch he looks just like me
Thanks for nothing absolutely nothing
Thanks for all your bull shit too
Thanks for nothing positively nothing
Thanks for everything you didn't do, thanks
Something for free you've got something from me
You want something for free, what do you want from me?
Give me a break with your taking your take
Come on and give me a break, what do you want from me?
Thanks, thanks for nothing absolutely nothing
Thanks for all your bull shit too
Thanks for nothing positively nothing
Thanks for everything you didn't do, thanks
Give me a break from your taking your take
Come on and give me a break, what do you want from me?
Give me a break, come on and give me a break
Come on and give me a break, what do you want from me?
Thanks for nothing absolutely nothing
Thanks for all your bull shit too
Thanks for nothing positively nothing
Thanks for everything you didn't do
Thanks for nothing
Thanks for nothing positively nothing
Thanks for everything you didn't do
Thanks, thanks
