

# Louder Than Words

## Greenwheel

Can you hear me?  
Not so loud, a whisper.  
It seems as though it fades away  
Before you hear what I have to say.  
Words can't offer you agreement.  
They're injustice to the songs you sing,  
Undermining your best intentions.

Silence speaks louder than words sometimes,  
But not everybody listens.  
It be know to all  
Who'd only shut their mouth.

Can you me  
Now that I am screaming?  
I can't tell a difference made  
With that blank stare on your face.  
And how do I  
Explain what I am feeling?  
Just open up the cage today.  
It's a small price to pay.

Silence speaks louder than words sometimes,  
But not everybody listens.  
It be know to all  
Who'd only shut their mouth.

Although there may be indiscretion,  
Remind yourself to play along.  
Block out your repetition  
And remind yourself who's in the wrong with you.  
With you.

Silence speaks louder than words sometimes,  
But not everybody listens.  
It be know to all  
Who'd only shut their mouth.
