Running Behind

Sense Field

I run, I run, I run, I run, I run, I run
I run, I run, I run, I run, I run, I runYeah, I've run to a slow crawl
Yes, I'm the one staring straight at the wall
You've seen me sky high
So low I had to die just to stay alive
This little war with myself
That I never wish it on anyone else[Chorus]
Turns out
No one gets left behind
Turns out
No one gets out alive
Turns out
Feeling left behind now
While everyone keeps moving onThe world comes to a stand still
Yes, in a fight
Not just for your life
They'll go right for your soul
It's the loneliest place that you'll ever know
Too afraid to say that you're scared
To the point that you couldn't even care[Chorus]Not so far behind now
Is anyone really moving on?While everyone
Keeps moving on
Is anyone
Really moving onI run, I run, I run, I run, I run, I run
I run, I run, I run, I run, I run, I runWhile everyone
Keeps moving on
While everyone
Keeps moving on
Is anyone
Really moving on
Really moving on
Really moving on
