Breathe Into Me (Remix Acustica)

Red

And this is how it feels when I ignore the words you spoke to me
And this is where I lose myself when I keep running away from you
And this is who I am when I don't know myself anymore
And this is what I choose when it's all left up to meBreathe your life into me
I can feel you
I'm falling, falling faster
Breathe your life into me
I still need you
I'm falling, falling
Breathe into meAnd this is how it looks when I am standing on the edge
And this is how I break apart when I finally hit the ground
And this is how it hurts when I pretend I don't feel any pain
And this is how I disappear when I throw myself awayBreathe into me, breathe into me,
Breathe into me, breathe into me!
Ah!Breathe your life into me
I can feel you
I'm falling, falling faster
Breathe your life into me
I still need you
I'm falling, falling
Breathe into meBreathe your life into me
I can feel you
I'm falling, falling faster
Breathe your life into me
I still need you
I'm falling, falling
Breathe into meBreathe your life into me
I can feel you
I'm falling, falling faster
Breathe your life into me
I still need you
I'm falling, falling
Breathe into meBreathe your life into me!
Falling, falling
Falling breath in to me!
Breathe into me
Breathe into me!
Breathe into me!
Breathe into me!

Breathe!
