

# Badger in the Hole

Chilblaine Winters

I can't go home for my fear of dying  
Lost my happy home but I'm still trying

It's my fault  
It's my own damn fault

Well my clothes are torn and my body's not well  
Got a new scar and some stories to tell

Piss and vinegar, whiskey smoke and blood  
At night we smash the levee, morning we fight the flood

Must have had a real good time  
Real good time

CAN'T GO HOME NO DAMAGE CONTROL  
CAN'T GO HOME GOT A BADGER IN THE HOLE  
CAN'T GO HOME I'M ALREADY ON PAROLE  
CAN'T GO HOME, THERE'S A BADGER IN THE HOLE  
BADGER IN THE HOLE  
WATCH OUT

Badger's aren't mean, just do what they do  
Don't take nobody's shit gotta pay them their dues

It's my fault

Front door is locked, back door too  
Side door don't exist, I'm sleepin' under canoe

You take a few liberties, take a wild ride  
Pay a steep price, creature livin' outside

Must have had a real good time  
You know I had a real good time

CAN'T GO HOME NO DAMAGE CONTROL  
CAN'T GO HOME GOT A BADGER IN THE HOLE  
CAN'T GO HOME I'M ALREADY ON PAROLE

CAN'T GO HOME, THERE'S A BADGER IN THE HOLE  
BADGER IN THE HOLE  
WATCH OUT

Head out the hole, got some clay between the claws  
Snappin' and snarlin' for my flesh between her jaws

It's my fault  
It's my own damn fault

The clean cut strut toward Gods wooden door  
My Sunday morning ritual involves God's dirty floor

My leather is clean, my denim is dirty  
My daytime is shaky but my nighttime's damn sturdy

CAN'T GO HOME NO DAMAGE CONTROL  
CAN'T GO HOME GOT A BADGER IN THE HOLE  
CAN'T GO HOME I'M ALREADY ON PAROLE  
CAN'T GO HOME, THERE'S A BADGER IN THE HOLE  
BADGER IN THE HOLE  
WATCH OUT
