I Smell Trouble

Savoy Brown

Lord knows I've tried
To do what's right
One whole year of staying home
Both day and night'Cause I smell a mean trouble
Way over yonder you know I heard a mean, yeah
Always in trouble people
Lord they just won't let me beThe people talk about me
Both night and day
I said, Lord please forgive them
And go the other way'Cause I smell a mean trouble
Lord I smell trouble ahead of me, oh yeah
Yes, we're always in trouble
Lord, they just won't let me beAnd from now on
I will not run and hide
I'll face trouble with a smile
And hope it pass me by'Cause I smell a mean trouble
Way over yonder, I say I heard a mean
Yes, we're always in trouble
They just won't, they just won't
Lord, they just won't let me be, oh yeah
