

# **Sin (It's No Sin)**

**Eddy Howard**

Take away the breath of flowers  
It would surely be a sin  
Take the rain from April showers  
It's a sinTake away the violins, dear  
From a lovely symphony  
And the music deep within  
Would cease to beIs it a sin to love you so  
To hold you close  
And know you are leavingThough you take away my heart, dear  
Still the beating there within  
I'll keep loving you forever  
For it's no sinIs it a sin to love you so  
To hold you close  
And know you are leavingThough you take away my heart, dear  
Still the beating there within  
I'll keep loving you forever  
For it's no sin
