He don't know that I'm checkin' you
He don't know that I'm checkin' you
He don't know, yeahHe don't know that I'm checkin' you
I'm so nervous, you got me open
He don't know that I'm checkin' youI was chillin' with my sister Eliza
And that's when I peeped you
You was standing right next to a brother
That was trynna holla right meI try to keep my composure
As I saw you walk up on me
Oh, look at the time I've wasted 'cause I dissed your man
He might be hatin' 'cause he don't knowHe don't know that I'm checkin' you
We getting closer, I'm feeling stronger
He don't know that I'm checkin' you
He don't know, yeahHe don't know that I'm checkin' you
I'm so nervous, you got me open
He don't know I'm checkin' you
He don't knowHere we are on the phone it's so crazy
Got me going over the things that you sake me
In the back, I can hear your boy talkin'
If he knew it was me, he be buggin'I feel bad in the back of my mind
'Cause I think about it all the time
Turning him down then coming around with you
Sooner or later, he's gonna see I'm there with youHe don't know that I'm checkin' you
We getting closer, I'm feeling stronger
He don't know that I'm checkin' you
He don't know, yeahHe don't know that I'm checkin' you
I'm so nervous, you got me open
He don't know I'm checkin' you
He don't knowYou know, don't you just hate
When a dude trynna holla to you?
And you was just not feelin'
I'm mean the chemistry was just not thereSo then you at the club, you know

Hanging out with your girls
And you've been checking at the guy
Since he damn near walkedNow y'all makin' eye contact
And you askin' for a second drink
So you just feelin' grown and sexy right now
But here's the catch, you seeThe same guy you wasn't checkin'
Was standing next to the guy you are checkin'He don't know that I'm checkin' you
We getting closer, I'm feeling stronger
He don't know that I'm checkin' you
He don't know, yeahHe don't know that I'm checkin' you
I'm so nervous, you got me open
He don't know I'm checkin' you
He don't knowHe don't know that I'm checkin' you
He don't know that I'm checkin' you
