Paperweight

Joshua Radin and Schuyler Fisk

Been up all night staring at you
wondering what's on your mind,
But I've been this way with so many before
but this feels like the first time.
You want the sunrise, go back to bed
I want to make you laugh.
Mess up my bed with me,
kick off the covers I'm waiting.
Every word you say I think
I should write down,
I don't want to forget come daylight.
Happy to lay here
just happy to be here
I'm happy to know you.
Play me a song
your newest one,
please leave your taste on my tongue.
Paperweight on my back
cover me like a blanket.
Mess up my bed with me,
kick off the covers I'm waiting.
And every word you say I think
I should write down,
I don't want to forget come daylight.
And no need to worry
that's wastin time.
And no need to wonder
what's been on my mind,
it's you
it's you
it's you.
Every word you say I think
I should write down,
don't want to forget come daylight.
And I give up
I'll let you win,
you win cause i'm not counting.
You made it back
to sleep again,

wonder what you're dreaming.
