

Ain't Nothing You Can Do

Van Morrison

When you got a headache
An you try to soothe the pain
Go right back to sleep
And you'll feel all right again
When ya got a backache
Little rubbin' will see you through
When you got a heartache
There ain't nothin' you can do
There ain't nothin' you can do
There ain't nothin' you can do
When you got a heartache
There ain't nothin' you can do
A man can't break a stone
So he tried another lick
Iceman can't break his ice, Lord
So he tries another pick
An electric lights go out
Candle light will see you through
When you got a heartache
There ain't nothin' you can do
There ain't nothin' you can do
There ain't nothin' you can do
When you got a heartache
There ain't nothin' you can do
Hey
Man can't break a stone
So he tried another lick
Iceman can't break his ice, Lord
So he tried another pick
Lectric lights go out
A candle light will see you through
When ya got a heartache
There ain't nothin' you can do
There ain't nothin' you can do, Lord
There ain't nothin' you can do, hey
When you got a heartache
There ain't nothin' you can do
Every time I think about it
Every time I think about it
When ya got a heartache
There ain't nothin' you can do
Every time I think about it
Every time I think about it
Every time I think about it
