

Carry On (Andre Matos feat. Edu Falaschi)

Angra

Simple minded brain,
For now you succumb
Nothing changes your way
This worlds insists to be the sameBased on our mistakes
The flowers fade along the road
Don't blindfold your eyes,
So loneliness becomes the law of a senseless lifeFollow your steps and you will find
The unknown ways are on your mind
Need nothing else than just your pride to get there
Go!Now we have to face another day
You won't be alone
This life is forcing us to stay
For how long?Cold is the wind and thunder struck on a stormy night
But can't you see, I'm by your side
We are marching on!
Follow your steps and you will findThe unknown ways are on your mind
Need nothing else than just your pride to get there
So, carry on,
There's a meaning to lifeWhich someday we may find
Carry on, it's time to forget
The remains from the past, to carry on
Follow your steps and you will findThe unknown ways are on your mind
Need nothing else than just your pride to get there
So, carry on,
There's a meaning to lifeWhich someday we may find
Carry on, it's time to forget
The remains from the past
So, carry on,There's a meaning to life
Which someday we may find
Carry on, it's time to forget
The remains from the pastCarry on, it's time to forget
The remains from the past, to carry on
The remains from the past, to carry on
The remains from the past
