Man, I didn?t know that you were talkin? ?bout her  
So man, you tellin? me you know her?  
Do I know her? Like a pastor know his word

We messin' with the same girl, the same girl  
How could the love of my life and my potential wife  
Be the, the same girl, the same girl?  
Man, I can't believe that we been messin'  
With the same girl, the same girl  
Thought she was someone I could trust  
But she's been doublin' up with us  
U, K, man we been messin' with the same girl  
See I met her at this party in Atlanta!  
Well I met her at this party in Chicago!  
She came right up to me, givin' me conversation  
I said, "Do you got a man?" she said no with no hesitation  
Well it must be a music thing 'cause she said the same to me  
At a party all in my face, while I'm laughin' and buyin' her drinks  
She whispered in my ear, said, "Can you take me home?"  
Me too!  
Man, she was in the Chi singin' that same song!  
Is that true?!

And I thought it was true confessions then she said  
"I love you?"  
Man I thought her body was callin' when she said  
"I want you!?"

Look I even got some pictures on my phone  
Look at there, there she is with some boy shorts on  
We messin' with the same girl, the same girl  
She's the apple of my eye and my potential wife  
The same girl, the same girl  
Man, I just can't believe that we been messin' 'round  
With the same damn girl  
The same girl, the same girl  
Thought she was someone I could trust  
But she's been doublin' up with both of us  
U, K, man we been messin' with the same girl  
Said she got me on her ringtone  
Are you talkin' 'bout the pink phone?  
Mm mmm, the blue one  
Man, she told me that was turned off  
It's obvious that she been playin' us, playin' us  
Ush constantly she's been lyin' to us, lyin' to us  
Don't like the way that she's been goin' 'bout it, goin' 'bout it  
Kells, what you think that we should do about it, do about it?  
Call her up at her home, she won't know I'm on the phone  
Yeah man that's the lick, homie we about to bust this trick  
Man just ask her to meet up with you and I'm gonna show up too  
And she won't know what to do we'll be standin' there singin'

The same girl, the same girl  
She's was the apple of my eye and your potential wife  
The same girl, the same girl  
I can't believe that we been messin' with the same girl  
The same girl, the same girl  
She's gon' be lookin' so stupid when see us together  
U, K, man we've been messin' with the same girl  
See, she was taken flights, movin' back and forth  
(The same girl, the same girl)  
I would pick her up at the airport  
Man, I really can't believe it  
(The same girl, the same girl)  
I can't believe it, no  
(The same girl, the same girl)
