

I Fall to Pieces

Cyndi Lauper

I fall to pieces
Each time I see you again
I fall to pieces
How can I be just your friend? You want me to act like we've never kissed
You want me to forget
Pretend we've never met And I've tried and I've tried
But I haven't yet
You walk by and I fall to pieces I fall to pieces
Each time someone speaks your name
I fall to pieces
Time only adds to the flame
