

# Dreamtime

Daryl Hall

I saw you standing and I felt your rage  
Like a dark cloud on a crowded stage  
You were talking through the smoke in your fantasy  
I know you girl I know what to believe Maybe things ain't been so good at home  
And the people that you love never cared at all  
You wanna run away don't care where you go  
You wanna run away, run away that's all you know Believe it's alright to fantasize  
And say the words you think will satisfy me  
But you know better than that  
'Cause you know what's a lie You're living in dreamtime baby  
It's time to wake up  
You're living in dreamtime baby  
It's time to shape up In your dream it's overcast  
Rain comes down movin' your way fast  
You wanna run away don't care where you go  
You wanna run away, run away that's all you know You turn a corner then you see a door  
Walk on through throw, lay yourself on the floor  
When you're looking up it's no surprise  
Standing there is a man with movie star eyes You think he's gonna take care of you  
The man with the plan that'll see you through  
I say there ain't no way  
'Cause I know he's a lie You're living in dreamtime baby  
It's time to wake up  
You're living on dreamtime baby  
It's time to shape up, shape up You're living in dreamtime  
You're living in dreamtime  
Wanna run away, run away You're living in dreamtime baby  
Shape up  
You're living on dreamtime baby  
It's time to wake up I never saw anybody fall apart so fast  
Living in dreamtime you know it ain't gonna last  
Never saw anybody think she's so right and be so wrong  
Living in dreamtime, it's hard to carry on, yeah You wanna run away  
Run away, baby  
You wanna run away  
Run away I never saw anybody fall apart so fast  
I hope it won't last  
Never saw anybody think she's so right and be so wrong  
Dreamtime, it's hard to carry on Dreamtime, dreamtime

Run away  
Dreamtime, dreamtime  
Run away
