Texa$ With a Dollar Sign

Spitalfield

Signing off this is wishful sinking,
Smiling soft, here's to secret thinking
Sleep right
Deep sleepers
Hold tight believersThis is almost sincere:
Lets hold our breath until we disappear
This is almost sincere:
Lets hold our breath until we disappear
Lets hold our breath until we disappearMy mind's a better author, than I could ever be
I am anyone , I am anywhere
I fit in perfectly
Its hard to fill your lungs
And its hurts to hold your tongue
When you're barely breathing
You're barely breathingThis is almost sincere:
Lets hold our breath until we disappear
This is almost sincere:
Lets hold our breath until we
We disappear
Lets hold our breath until we disappearLets hold our breath , lets hold on
Lets hold our breath, lets hold onWhen you go
You know I'll run right after you
When you go
You know I'll run right after you
When you go
You know I'll run right after you
When you go
You know I'll run right after youLets hold our breath until we disappear
Lets hold our breath until we disappear
