

# Strong Will To Live

**Robben Ford**

If you lose your woman, please don't lose your mind  
If you lose your woman, please don't lose your mind  
Don't cower down yourself indeed  
You don't even take that drag A man these days  
Needs a strong will to survive I work hard at my job, don't gamble with my pay  
I work hard at my job, don't gamble with my pay  
When the government come for their share  
They wanna take more than I got to give A man these days  
Needs a strong will to live When I was down on my luck, sold my car just to pay my rent  
When I was down on my luck, sold my car just to pay my rent  
When my friend asked me how I been  
He had the laughter I just couldn't lie I said a man these days  
Needs a strong will to get by  
I said a man these days  
Needs a strong will to survive
