Turn Me Up

Carly Rae Jepsen

All alone, here I am
I don't know what I'm after
Now that you're just a friend
I can't call you and ask you
And from the very first time I saw your face
I knew I was satisfied
You were talking so sweet, I had to taste
I wish I never tried
I'm breaking up with you
You're breaking up on me
You kissed me on the phone
And I don't think it reaches
What am I to do?
and how's it gonna be?
Cause breaking us in two
Is breaking me in pieces
Breaking up with you
You're breaking up on me
You kissed me on the phone
And I don't think it reaches
What am I to do
And hows it gonna be
I've giving up, i'm going out tonight
Turn me up, turn me on
turn me up, urn me on
Tonight here you are
And I know what you're after
But you're reading me wrong
Cause i'm closing this chapter
And from the very first time I saw your face
I knew I was satisfied
You were talking so sweet, I had to taste
I wish I never tried

I'm breaking up with you
You're breaking up on me
You kissed me on the phone
And I don't think it reaches
What am I to do

And hows it gonna be
Cause breaking us in two
Is breaking me in pieces
Breaking up with you
You're breaking up on me
You kissed me on the phone
And I don't think it reaches
What am I to do
And hows it gonna be
I've giving up, i'm going out tonight
Turn me up, turn me on
turn me up, i'll turn me up
Turn me up, turn me on
Turn me up, and turn me on, and on
Breaking up with you
You're breaking up on me
You kissed me on the phone
And I don't think it reaches
What am I to do
And hows it gonna be
I've giving up, i'm going out tonight
Turn me up, turn me on
Why don't you turn me on?
I'll turn me up, why don't you turn me on?
I'll turn me on (on, and on, and on)
I'll turn me up why don't you turn me on?
I'll turn me on (turn me on)
I'll turn me on
