

I Was Made To Love Him

Whitney Houston

Hey, hey, hey
Hey, hey, hey
See, I was born in Newark
Got too much to talk now
We're always hand in hand
He wore high top shoes and shirt tails
Nip wore her pigtails
I knew I loved him even then
You know some disapproved it
They even boo-hooed it
But I told them time and time and time again
You know I was made to love him
Build my world around him and
Hey, hey, hey
He's been my inspiration
Sho' nuff appication
For the love I gave him through the years
Like a sweet magnolia tree
My love blossomed tenderly
My love grew sweeter through the years
I know my baby loves me
My baby needs me
That's why we made it through the years
I was made to love him
Worship and adore him, yes say
Hey, hey, hey
All through thick and thin
Our love just won't end
But I love my baby, love my baby, oh
My baby loves me
My baby need me
I know I ain't going nowhere
I was just a little thing
The love bug hit me
I had the fever with this passing year
If all should tumble
And the whole world crumble
By his side I'll still be standing, yeah
'Cuz I was made to love him

Maybe meant for him, say
Hey, hey, hey
I was made to love him
Build my world all around him say
Hey, hey, hey
I love my baby
Nip aint' goin' nowhere, say
Hey, hey, hey
Hey, hey, hey
Hey, hey, hey
Build my world all around him say
Hey, hey, hey
[Incomprehensible]Hey, hey, hey
Been my inspiration
Sho' me appeciation
Hey, hey, hey
