

Every Breath You Take

Denmark + Winter

Every breath you take
Every move you make
Every bone you break
Every step you take
I'll be watching you
Every single day
Every word you say
Every game you play
Every night you stay
I'll be watching you
Oh can't you see
You belong to me
How my poor heart aches with every step you take
Every move you make
Every vow you break
Every smile you fake
Every claim you stake
I'll be watching you
Since you've gone I been lost without a trace
I dream at night I can only see your face
I look around but it's you I can't replace
I feel so cold and I long for your embrace
I keep crying baby, baby please
Keep calling baby, baby, baby please, baby please
Oh can't you see
You belong to me
How my poor heart aches with every step you take
Every move you make
Every vow you break
Every smile you fake
Every claim you stake
I'll be watching you
