

For What It's Worth

Tab Benoit

Something's happening here
What it is ain't exactly clear
There's a man with a gun over there
Telling me I got to beware

I think it's time we stop
Children, what's that sound?
Everybody look what's going down

Battle lines bein' drawn
Nobody's right if everyon's wrong
People speaking their minds
Getting so much resistance from behind

Yeah, stop, children, what's that sound?
Everybody look what's going down
Stop, hey, what's that sound?
Everybody look what's going down

What a field day for the heat
Ten thousand people in the street
Singing songs and carrying signs
Mostly say, "Hooray for our side!"

I think it's time we stop
Children, what' that sound?
Everybody look what's going down
Stop, hey, what's that sound?
Everybody look what's going down

Paranoia strikes deep
Into your life it will creep
It starts when you're always afraid
Step out of line the man's coming to take you away

Yeah, stop, children, what's that sound?
Everybody look what's going down
Stop, hey, what's that sound?
Everybody look what's going down

Stop, hey, what's that sound?
Everybody look what's going down
You better stop

Stop
You better stop
Stop
You better stop
