Deathless

As Lions

You can share these memoriesBut would you find their soul?
You can drain all that you need,
And never have it all,
Our innocence was dangerous
We trade it for the cure,
We turned into our enemies
With nothing to fight forNow we walk in a body that's breathless
Broken and insecure,
One last time, in a moment I'm deathless
In a deathless pitiful world
Now we break cos we're coming up reckless,
Desperate and all alone,
One more night and we're gonna regret this,
Its a deathless pitiful world
Just like burning effigies
Where there's smoke theres fire
We compose our elegies
To ghosts of our desires
So long ago, we used to know
The reasons we ignored,
We sank below the undertow,
And saved ourselves for war,Now we walk in a body that's breathless
Broken and insecure,
One last time, in a moment I'm deathless
In a deathless pitiful world
Now we break cos we're coming up reckless,
Desperate and all alone,
One more night and we're gonna regret this,
Its a deathless pitiful world
We're deathless,
We walk aloneWe're deathless,
We walk aloneCan you help me, save our souls?
Can you hear me?Or am I all alone?Now we walk in a body that's breathless
Broken and insecure,
One last time, in a moment I'm deathless
In a deathless pitiful world
Now we break cos we're coming up reckless,
Desperate and all alone,
One more night and we're gonna regret this,

Its a deathless pitiful worldWe're deathless,
We walk aloneWe're deathless,
We walk aloneWe're deathless,
We walk aloneWe're deathless,
We walk alone
Its a deathless pitiful world
