

# Revolution

## Bang Camaro

We're taking over  
We got the last line  
We're going full drive  
Hi little sisters put your heels up  
and grab your hot sauce Rise up revolution, whoa-whoa (yeah) whoa-whoa (C'mon)  
One last big solution  
they can't stop  
they can't stop us We're taking over  
Hey rock n rollers  
We got the soldiers  
We're (incoherent)  
Grow your hair out  
And get your (incoherent) Rise up revolution whoa-whoa (yeah) whoa-whoa (C'mon)  
One last big solution  
they can't stop  
they can't stop us YEAH C'MON (incoherent) Rise up revolution whoa-whoa (yeah) whoa-whoa (C'mon)  
One last big solution  
They can't stop  
they can't stop us Rise up revolution whoa-whoa (yeah) whoa-whoa (C'mon)  
One last big solution  
They can't stop  
They can't stop us
