

# Set My Heart

## Vertical Church Band

Quiet the voice of doubt again,  
Echo within me every promise,  
Let your Word be louder than my fears.  
Speak to the void when I can't see,  
Lift up my head in every valley,  
Let your joy be greater than my grief. I have set my heart,  
Set my, set my heart on You.  
You have every part of me,  
I set my heart on You. You make a way when none is found,  
You tell the roaring ocean to bow.  
I believe You're moving even now,  
Right here, right now.  
I have set my heart,  
Set my, set my heart on You.  
You have every part of me,  
I set my heart on You. I have set my heart,  
Set my, set my heart on You.  
You have every part of me,  
I set my heart on You.  
I set my, set my heart on You. Nothing will ever break me, ever slay me,  
All my hope in You.  
Nothing will ever shake me, overtake me,  
All my hope in You. Nothing will ever break me, ever slay me,  
All my hope in You.  
Nothing will ever shake me, overtake me,  
All my hope in You.  
I have set my heart,  
Set my, set my heart on You.  
You have every part of me,  
I set my heart on You. I have set my heart,  
Set my, set my heart on You.  
You have every part of me,  
I set my heart on You. Set my, set my heart on You,  
Set my, set my heart on You. I have set my heart,  
Set my, set my heart on You.  
You have every part of me,  
I set my heart on You. I have set my heart,  
Set my, set my heart on You.  
You have every part of me,

I set my heart on You.
