Fear Obscures from Within

Demigod

Obscure mass of silenced souls
Drifting misery, frozen shapes
Numbed herd entrance with fear
Kingdom dead, silenced lifeDepressions of the soul
Emotions from the darkest mindDarkness dwells in your fading spirit
Ominous silence of misery
As thee lay beneath
Fear obscures from within
Supremacy, pay homage to the grief
Mourning, the waves of dismayDarkness dwells in your fading spirit
Ominous silence of misery
As thee lay beneath
Fear obscures from withinAgony and dismay
Unforeseen dimension unfolds
Depressions of the soul
Emotions from the darkest mind
Supremacy, pay homage to the grief
Mourning, the waves of dismay
