All In White

The Vaccines

Break me on the thirty seventh hour
Tout me, doubt me, show me all of your power
I will watch you rise on my back from the ground
Friend or foe? I don't know, do you like what you've found?
Because I will one day shine with you
I'll shine on a faithful few
Oh, show me low quotations, have you earned your stripes?
Fabricate salvation, Lord, I know your type
I've known you all my life
I was always wrong, you, all in white
Brush my cause aside with little trouble
Oh my god, I think I'm hearing double
I will watch you rise on my back from afar
Friend or foe? I don't know, now you're up in the stars
But I will one day shine with you
I'll shine on a faithful few
Oh, show me low quotations, have you earned your stripes?
Fabricate salvation, Lord, I know your type
I've known you all my life
I was always wrong, you, all in white
Oh, show me low quotations, have you earned your stripes?
Fabricate salvation, Lord, I know your type
I've known you all my life
I was always wrong, you, all in white
Oh, show me low quotations, have you earned your stripes?
Fabricate salvation, Lord, I know your type
I've known you all my life
I was always wrong, you, all in white
Oh, show me low quotations, have you earned your stripes?
Fabricate salvation, Lord, I know your type
I've known you all my life
I was always wrong, you, all in white
