

Disko Partizani

Shantel

My baby came down from romania
She was the queen of transylvania
But now we live in suburbia
Without any friends buzzing you
(x2)

Tsiganizatsia tsiganizatsia
Come on baby this is what you need
Tsiganizatsia tsiganizatsia
Everybody dancing to this beat
Tsiganizatsia tsiganizatsia
Come on baby this is what you need
Tsiganizatsia tsiganizatsia

Disko disko partizani
Disko disko partizani
Parti parti partizani
(x2)

Zece, alege
Nu mai intelege
Opt un tort (upgrade)
Musica non stop
(x2)

Cand te vad ma pierd cu firea
Nu'mi pot stapani privirea
Dansezi bine esti mortala
Si cu frumusetea ta'I bagi pe toti in boala
Orice barbat te doreste
Cand te vede innebuneste
Ti'ar da bani, ti'ar da orice ti'ar da si casa
Pentru tine si'a lasat nevasta

Tsiganizatsia tsiganizatsia
Come on baby this is what you need
Tsiganizatsia tsiganizatsia
Everybody dancing to this beat
Tsiganizatsia tsiganizatsia
Come on baby this is what you need

Tsiganizatsia tsiganizatsia

Disko disko partizani
Disko disko partizani
Parti parti partizani
(x2)

Zece, alege
Nu mai intelege
Opt un tort (upgrade)
Musica non stop (too late)
(x2)
