

# With Whom To Dance?

## The Magnetic Fields

Moons in June I've given up on that stuff  
Arms have charms but I've no hope of falling in love  
The rest of life pales in significance  
I'm looking for somebody with whom to dance  
With whom to dance? With whom to dance?  
I'm looking for somebody with whom to dance  
Rings and strings, what use have I for these things?  
Bells and carousels I'd just be fooling myself  
And you, you look like heaven  
An angel who stepped from a dream  
777 times lovelier than anything I've ever seen
