

Good Times Roll

Powerman 5000

Let the good times roll
Let them knock you around
Let the good times roll
Let them make you a clownLet them lead you up in the air
Let them brush that rock 'n' roll hair
Let the good times roll
Let the good times roll
Let the good times rollLet the stories be cold
Let them say what they want
Let the photos be old
Let them show what they want, what they wantLet them lead you up in the air
Let them brush that rock 'n' roll hair
Let the good times roll
Let the good times roll
Let the good times rollGood times rollIf the illusion is real
Let them give you a ride
If they got thunderous appeal
Let them be on your side, on your sideLet them lead you up in the air
Let them brush that rock 'n' roll hair
Let the good times roll
Let the good times roll
Let the good times rollLet the good times roll
(Let the good times roll)
Let the good times roll
(Let the good times roll)
Let the good times rollLet the good times roll
(Let the good times roll)
Let the good times roll
(Good times roll)
Let the good times roll
(Good times roll)Good times roll
