

Every Time I Fall In Love

[Harry Connick, Jr.](#)

I'm in heaven on solid ground
It makes my world spin round and round
I'm inside out, I'm upside down
Everytime I fall in love
I lose my keys, I lose my cool
I never learn, it's like I'm back in school
I end up breaking all my rules
Everytime I fall in love
I've been here before
I'll be here again
I tell myself
There's no one else
And then
I'm flying high with the birds and bees
But then they get the best of me
How come it feels like it's meant to be
Everytime I fall in love
Yeah
m mm, m mm
m mm
I've been here before
I'll be here again, I tell myself
There's no one else
And then oooohh
