

Does Anybody Really Know What Time It Is?

Chicago

As I was walking down the street one day
A man came up to me and asked me
What the time was that was on my watch, yeah

And I said

Does anybody really know what time it is?

Does anybody really care?

If so I can't imagine why

We've all got time enough to cry

And I was walking down the street one day

A pretty lady looked at me and said

Her diamond watch had stopped cold dead

And I said

Does anybody really know what time it is?

Does anybody really care?

If so I can't imagine why

We've all got time enough to cry

And I was walking down the street one day

Being pushed and shoved by people trying to beat the clock

Oh, oh, I just don't know, I don't know, I don't know, oh

And I said, yes, I said

Does anybody really know what time it is?

Does anybody really care?

If so I can't imagine why

We've all got time enough to die

Everybody's working

I don't care about time

I don't care
