

# Give Good Feeling

## Take That

You've got to hold me, and control my dreams  
I want you to fulfill my needs, I feel it babe  
Something good is gonna happen  
I can't believe in this world I see  
I reach out to you, set me free from these chains  
I'm holding on, trying hard  
Just so you know I'm here waiting for you to Give good feeling to me  
Baby I know this feeling won't go  
Makes you want to be free  
In a world where we fly, fly, fly Don't let me go, I will be your prisoner  
Hold me down and I will give you my reasons for  
Loving you, needing you, can't do without ya  
If you think I'm crazy for loving you baby  
Then I will show you the way that I feel  
I'm holding on, trying hard  
Just so you know I'm here waiting, so please Give good feeling to me  
Baby I know this feeling won't go  
Makes you want to be free  
In a world where we fly, fly, fly Give good feeling to me  
Baby I know this feeling won't go  
Makes you want to be free  
In a world where we fly, fly, fly Come on lets fly  
Come on lets fly  
Come on lets fly  
Come on lets fly If you think I'm crazy for loving you baby  
Then I will show you the way that I feel Give good feeling to me  
Baby I know this feeling won't go  
Makes you want to be free  
In a world where we fly, fly, fly Give good feeling to me  
Baby I know this feeling won't go  
Makes you want to be free  
In a world where we fly, fly, fly Let me fly
