

Take It There

Gazeebo

I got one verse to make you, see past the fro and the shoes,
And feel the reason for the heatin' up inside
Of this room,
I'm like the messenger who, told you about the good news,
And soon you downloadin' this single I approve on I tunes,
And so you pick it up, move a little more and switch it up,
Take it to the floor and burn it up,
Wanna get it free so you burn it up that's what's up

It's all over, we shuttin' them down,
We shuttin' them down

Man-n-n-nipulation,man-n-n-nipulation,
Man-n-n-nipulation, man-n-n-nipulation

I ain't nothin' butta' messenga'
Change my flow to connect witcha

You can feel this rhythm
When it bump Play it loud
Until all the people come

Watch this beat, make you move like you crazy
So crazy it makes you freak
But you too busy watchin' me (don't do that)
Cause I ain't nothin' butta' messenga'
Change my flow to connect witcha
Track so hot it'll mess witcha like
Simma simma ga ga get up

Man-n-n-nipulation,
Man-n-n-nipulation,
Man-n-n-nipulation,
Man-n-n-nipulation

It's all over,
We shuttin' them down,
We shuttin them down

No need to be subliminal people

Ill be the first to tell you what the goal is
Flooding the radio with
A flow that's so atomic while time tics
We making a public announcement
There's really no reason to stop this
We got this ain't nothing like us so listen in close
and rewind this close and rewind it
We got what you wanted magnetic tones
You love it turn it up and bump it
Till your soul is thum, thum, thumpin'

If you follow me
Hope that you can see
All that we believe
That's all we wanna do

Gimme that drum & bass love

We bringing back back that beat watch the bass drop
We bringing back back that beat make ya body rock

It's all over, we shuttin' them down, we shuttin' them down

Make ya body rock make make make ya body rock
Make ya body rock make make make ya body rock

Man-n-n-nipulation,
Man-n-n-nipulation,
Man-n-n-nipulation,
Man-n-n-nipulation,
Man-n-n-nipulation,
Man-n-n-nipulation,
Man-n-n-nipulation,
Man-n-n-nipulation,
Man-n-n-nipulation
